## RESEARCH CELL

### OBJECTIVES

- To create and promote a culture of research among the faculty and staff.
- To organize various workshops/ seminars/ trainings related to the promotion of research.
- To enhance the research output of the institute by research paper publication in referred journals and reputed conferences.
- To publish research material in appropriate media and make available such published information to the end users.
- To keep track and record publications made by the faculty.
- To publish an ISSN/referred research journal and motivate the faculty members and students to write more papers.
- To assist institutions in improving the teaching-learning environment with the help of Action Research

### ACTIVITIES OF THE RESEARCH CELL

- Research Cell is actively involved in the publication and trying to publish our own college journal.
- Research Cell organized several orientation programs and workshops on topics like - Research Methodology, how to write a paper in the UGC care list journal, Research tool-its construction and standardization, data analysis and interpretation, etc. for PG students, research scholars, and teachers.
- Various training programs have been organized for PG students and teachers such as online assessment tools, conducting, and managing online resources etc.
- The Cell is continuously working in the direction of promoting the research culture among the different stakeholders.
